Attendance reporting

Greetings!

We're glad you signed up for this newsletter and hope that it is a useful source of information to you. Feel free to contact us if there are things you'd like to know about which we haven't touched on. Many KCVI parents have yet to sign up for this newsletter, so please forward this message onto other parents you know. It's easy to sign up. All they need to do is visit the KCVI website (<http://kcvilimestone.on.ca>) click on the school council link, and follow the directions.

December Council Meeting

School Council is pleased to offer a unique opportunity for parents at the December meeting - a field trip! It has likely been a few years since you were last invited and welcome to participate in the fun and learning afforded by field trips. On December 8 School Council has been invited (OK, we invited ourselves, but they didn't say no) to watch the award-winning KCVI robotics team work on their robots as part of the curriculum presentation by the computing department. We assume that board policy does not permit attack robots, but it might be an idea to check your insurance coverage just in case. This will be one of the few field trips not to include a school bus and excited children, so don't let this pass you by. The meeting is December 8, 7:00 - 8:30, convening in the Centennial Room.

Notes from Student Services

The new "Did you know that ..." section is now available from the student services page on the KC website. There is currently great information on campus visits at the page, check it out!

Another chance to see Office Hours

If you haven't already done double 'office' duty the week of Nov 25-28, pop by the Wellington St Theatre Dec 3-5 for the KC drama co-production of 'Office Hours'. The curtain rises at 7:00 pm (2 pm matinee on Saturday) and admission is \$8.00 for students and seniors and \$12.00 for adults. No children's price has been set, as this is not suitable for a younger viewer. Appreciative audiences, sitting on foamy KC auditorium chairs, raved about the performances of the first week. With a week of performances at KCVI and a week at the Wellington St Theater, this can be considered a 'touring' show! Please check the KCVI web site before you go.

Pathways Workshop

Pathways is offering a 'Youth Technologies' workshop as part of their 'Parenting Adolescents' series. This is an

opportunity for parents to learn about the new technologies in a safe adult environment. No eyes will roll and there will be no 'looks'. The workshop is Monday, Nov 30, 6-8 pm at the Pathways office, 993 Princess St. Pre- registration if required; contact Shelley Sayle-Udall at 546-8535 x 279 to reserve a spot.

The Spirit of Giving at KCVI

Operation Book Drop

The Mountain Biking Team and KCVI Library has joined forces to collect books for students enrolled in kindergarten to grade eight. You can drop your used books off at KCVI until the end of November. Students are making book marks to go with the books that will be delivered to an elementary school in December.

Gear For Cheer

The athletic association "Gear for Cheer" is collecting used sporting goods from Nov. 17 to December 11 for the boys and girls' club. Large bins will be in the main foyer.

Streetsmart Warm Winter Wear Collection

We are collecting warm coats and winter wear for our students enrolled at Streetsmart. A drop off box is located in the main office at KCVI.

Fashion Forward Dress Drive

Bring in your gently used dresses and accessories from Nov.30 to Dec. 4 to help young women in our community.

Dates to Remember

H1N1 Clinic for students and staff: December 1 8a.m. to 12:00 p.m.
